What Is Being Done?

The Michigan Department of Transportation (MDOT) is rebuilding the 142nd Avenue bridge over US-131 (Exit 68) in Allegan County.

When Will This Be Done?

Construction is expected to start in April and is scheduled for completion in August.

How Will Traffic Be Affected?

The 142nd Avenue bridge and the northbound US-131 off ramp will be closed throughout construction. The posted detour route includes 18th Street, 135th Avenue, Reno Drive, 133rd Avenue and Division Avenue.

Long-term Benefits

The new bridge will provide safer traffic flow and increased visibility for motorists at the intersection.

MDOT's 2011 road and bridge program supports the creation of jobs, growth of the economy, preservation of the environment and the safety and security of the transportation system.
